EDUCATION

The University of Texas at Austin, Austin, TX

May 2028

Bachelor of Science, Mathematics

GPA: 4.00

Certificate in Programming and Computation

Relevant Coursework: Differential Equations, Linear Algebra, Vector Calculus, Discrete Mathematics, Algebraic Structures I, Probability I, Elements of Data Visualization, Elements of Software Design

SKILLS

Programming Languages: Python, JavaScript

ML/Data: NumPy, scikit-learn, Matplotlib, Transformers, Torch, Pillow, pytest, RAG, Anthropic API

Tools: Git/GitHub, Streamlit, Microsoft Office, Google Workspace

Languages: English, Spanish (native)

Certifications: Honors CodePath Foundations of AI Engineering

PROJECTS

Music Matcher | Python, pytest, RAG, Anthropic API, Streamlit

August 2026

- Created a music recommendation app based on user-typed situations/moods
- Implemented RAG pipelines into app LLM generation logic as a means of stabilizing model outputs
- Identified deficiencies in previous app version user experience to review and redesign logic flows
- Included deterministic offline fallbacks to complement every LLM API generation step

Tiny CLIP Model | Python, NumPy, scikit-learn, Matplotlib, Transformers, Torch, Pillow, Streamlit

July 2026

- Designed and trained two zero-shot image classification models with confidence percentages included
- Built and trained CNN image and transformer text encoders to develop a fully custom multimodal model
- Employed DistilBERT and ResNet encoders to build a second model atop pre-trained encoders
- Tested and visualized performance of both models; found better-trained encoders improve contrastive learning

EXPERIENCE

Consulate General of Mexico in San Antonio | Microsoft Office, Google Workspace

May 2026 - August 2026

Economic Affairs Intern

- Researched and assembled information on key Mexican and American companies
- Detailed the professional trajectories of prominent government and corporate personnel
- Digitally and physically organized financial expense records for bookkeeping
- Aided in consulate events logistics

LEADERSHIP & COMMUNITY INVOLVEMENT

Texas Wranglers, Austin, TX

January 2026 - Present

Member

- Supported the local community with over 100 hours of volunteering
- Recruited students aligned with the pillars of the organization

Project West Campus, Austin, TX

September 2025 - Present

Organizer

- Aided in serving over 2,000 meals to food-insecure individuals in West Campus and Downtown Austin
- Directly led over 15 students into joining and participating in food preparation and distribution efforts

HONORS AND AWARDS

- Honors/awards: University Honors (2026), Alamo Heights High School Summa Cum Laude (2025), AP Scholar with Distinction (2025), National Latin Exam Maxima Cum Laude (2025), National Merit Commended Scholar (2024), National Hispanic Recognition (2024), National Latin Exam Summa Cum Laude (2024)
